Okay, I got mixed up too when I saw you had a conflict, but I was looking at 12, not 1 pm.

Also, Cheryl is asking if you think Dr. Nance will come in tomorrow. They are checking to see if they need to come in.

Thanks,  
Sue

Hi Sue,

I must have gotten mixed up when looking at the calendar. Wednesday at 1pm is fine. I don't want to impact Randy's plans.

Thanks,

Iris,

I had offered Margaret 1 PM on Wednesday and she is checking with everyone, since the RA will be on a tour from 3-4 on Thursday. Do you want me to schedule on Wed. or do I get with Randy and make a change on the OK agenda for Thursday? I'm including the OK Itinerary.

Hi Iris:

We are working on the draft Q&As for the PI (attached). Because we requested this community meeting, our hope is to anticipate the questions that the community will have and address them upfront in our informational presentation of the Preliminary Injunction details and anticipated next steps. We will have DOJ, OECA, and R6 staff and management on the call who will be able to answer questions that may arise.

I'm waiting to hear back from Deena from EarthJustice on whether or not the Wednesday, 3/22 1:00 timeslot works for them. I'll let you, Sue and James know once I hear back.

Thanks,  
Margaret

Hi Margaret,

Of these, I think I prefer the 3/23 date since it gives us a bit more time to prep. I'm sure Dr. Nance will want to participate so let's try to accommodate that.

Thanks so much.

**Importance:** High

Hi Iris:

## Ex. 5 Deliberative Process (DP)

comments to:

- Tuesday, March 21; 12-1pm ET (Stacey traveling to Kansas City) Dr. Nance can attend only 1230-1p
- Thursday, March 23, 12-2pm, 3-4:30pm ET (Stacey is in Kansas City) Dr. Nance can attend 3-4P
- Monday, March 27, 12-2pm ET (Both are on travel to ECOS)
- Tuesday, March 28, 1pm-3:30pm ET (if necessary) (Both are attending ECOS)

As for a prep meeting, you're right – we were hoping to schedule the meeting first and then schedule the prep meeting once we knew the date. We envision this as an informational meeting where we walk through the PI and then explain to the community the legal schedule and potential paths the schedule may take. I realize Dr. Nance's schedule is super busy for the next two weeks. We could have the meeting without Dr. Nance if you think that would be appropriate. This will be a smaller meeting than the last one on the Agency and DOJ side.

Let me know your thoughts.

Thanks,

Margaret

Hi everyone,

Need to make sure everyone is aware. I believe this will have to be scheduled until after ECOS. Not sure if we can pull this off next week. What do you guys think? Please see Iris' note below.

James

A should already be aware but yes let's include them. HQ will also need to be involved.

I need to know from Margaret if there is a planning meeting to prep for this community meeting. She's probably trying to get a date on the calendar first and then work backwards from there. It will likely need to be an evening virtual meeting but let me check with Margaret.

This relates to an action that is being filed on Monday so we need it on the schedule for next week if possible.

Hi Deena:

We'd like to have a meeting with you and the community members again to talk about the recent EPA action at the Denka facility. Can you let me know of some times that would work on March 22 or 23, or March 27-30? It would be another virtual meeting.

Thank you,

Margaret
